

Ambassador's Commitment – 2018-2019

As a Pius X High School ambassador, I

- Realize the importance of being Christ for others by my actions and words.
- Will strive to assist people who are struggling, lonely, hurting, or being teased, bullied or hurt by others.
- Will welcome new students to our school and help them to feel comfortable here.
- Commit to seeking the help of a trusted adult if the situation or person I encounter warrants that assistance.
- Will attend the scheduled meetings and be actively involved. Students who miss more than ½ of the meetings during 1st semester will not be allowed to continue for 2nd semester of that year. We realize that some students have extenuating circumstances that keep them from attending meetings. WE DO UNDERSTAND (for example: Marching Band is held at the same time as Ambassadors during the early part of the year, and we excuse band members for those dates.)
- Will take a leadership role in planning, organizing and executing at least one Ambassador Project during the year. Of course, you can do more.
- Will let the sponsors know in advance if I am unable to attend a scheduled meeting. This is a courtesy that is VERY IMPORTANT!

As ambassadors, we know our Lord calls us to serve each other and to be His hands, feet and heart to others along our journey in life.

Ambassador Name

Date

Cell phone #'s for communication: (We use a website (remind.com) to alert students via text of Ambassador meetings and other important ambassador news. If the student or parent doesn't have a cell phone, just let us know. We will find another way to communicate.
