

Named Scholarship

Pius X High School ~ Pius X Foundation

Glenn E. & Ann J Miller Memorial Scholarship

It has been a few years since a child of Glenn and Ann graced the halls of Pius X High School, but their love and support of the school is something that remains unchanged. Education was always very important to Glenn and Ann and was something they made sure all their children had the benefit of receiving at Pius X and later in college.

Glenn joined his father Cyrus in the grass seed business and helped run the Miller Seed Company in Lincoln from 1941-2005. Glenn and Ann had seven children Mary Ann, Kay, Joe, Peggy, Don, Jim and Tom, five of which attend Pius X.

Ann passed away in December 1997 at the age of 78 and Glenn passed away in August 2005 at the age of 88. After Glenn passed away, their children established an endowed scholarship in their memory to benefit students at Pius X.
